

ACADEMY GRADUATION

Large Audience Enjoys Unusual Program in the Tabernacle, Saturday Night.

A very varied and exceedingly interesting program was given by the Berea Academy, Saturday night, in the Tabernacle.

For several previous years it has been the custom of this Department to offer a program simply of orations and essays. This custom this year was abandoned, and, while there were a number of essays and orations of very high class, these were broken into by two delightful plays, one the tragedy of Dido and the other the court scene in "The Merchant of Venice."

That these plays might be the more interesting and better understood, the one was preceded by two descriptive essays, the first being the story of Aeneas and the second the plot; and the other three essays dealing respectively with the glory of Venice, the Jew in the Middle Age and Shakespeare's plot of "The Merchant of Venice."

The tragedy of Dido was presented in a very realistic fashion, the translations having been made by the students presenting the parts and the costumes, which were true to the time represented in the story, were also arranged by members of the class.

The presentation of the play was good and must have quickened the interest of every one whether student or citizen in the classic story.

The scene from "The Merchant of Venice," was no doubt much better understood by the audience, and was followed with the deepest interest, some of the parts being given with the skill almost of an experienced actor. The Citizen reporter has heard very favorable comments upon Portia, Bassanio, Shylock and Gratiano, and the entire performance given very high praise.

The program was long, the only adverse comment from any one being that it was too long. And its length makes it impossible, in reviewing it, to give praise to each participant that is justly his due. It is sufficient to say that every oration and essay was of high order, and the delivery in nearly every case very pleasing and commendable.

At the conclusion of the Program Dean Matheny, in a few appropriate words, turned over the class to the College Department. They were received by Dr. Hubbard, Dean of the College Department, who congratulated them upon their attainments.

THE FOUNDATION AND MODEL SCHOOLS

Love and Loyalty to Berea's Traditions Exemplified in Graduation Exercises.

The program of Commencement week began Thursday afternoon with the graduating exercises of the Foundation and Model Schools, of which Prof. Edwards is the Superintendent.

The program was a unique and exceedingly interesting one, its title being "Leaves from The History of Berea College." There were twenty-one numbers, excluding the prayer and benediction, each of which was a significant part of the compact, well worked out and instructive as well as interesting whole.

To give an idea to those who were not present of the nature of the program, it is sufficient to mention some of the subjects, "Cassius M. Clay," "John G. Fee," "Mrs. Fee," "John R. Rogers," "A Letter From Mrs. Rogers," "The Pioneers," "The Exiles," "Early Teachers" and "The Battle of Richmond." Each number was well presented by a splendid young man or woman from the school and their bearing and delivery gave evidence of thorough training and showed conclusively that the class motto, "Thus Endeth the First Lesson," could be appropriately applied to them.

There were three good music selections on the program, one "There is a Home in Old Kentucky," a contribution of a member of the class.

And the latter part of the program dealt with what might be called, "Berea Present," the college buildings, the hospital, the water works and the departments being reviewed.

Prof. L. V. Dodge presented the certificates to the class which numbered eighty-one.

Prof. Edwards is to be congratulated for the successful work of his department during the year and on his ability to bring it all to a climax in a most instructive and helpful program, and, what is more, a program that must have united the hearts of every member of the class in love for the traditions of the school.

MEMORIAL DAY EXERCISES

Program as Announced, Carried Out. Large Crowds and Much Interest in the Day's Varied Exercises.

Decoration Day was appropriately observed in Berea, the program as announced in last week's citizen being carried out to the letter. Differing from the former custom, the march

to the cemetery and the decoration of the graves occurred early in the morning, which owing to the heat later in the day, was a very wise change.

The tottering ranks of the Berea Post were preceded in the march by the splendidly uniformed College Band, the rear being brought up by many carriages containing citizens and friends who carried loads of flowers.

At the graves the usual ritual exercises were gone thru with, Prof. Dodge being in charge, after which the flowers were distributed by the comrades on the graves of the departed heroes, many citizens joining with them and also scattering over the cemetery to place a token of love and affection upon the graves of their loved ones.

At 10 a. m. the memorial program, under the direction of Prof. Edwards, was given in the tabernacle. This, as on previous years, was one of the most interesting exercises of Commencement week, the various classes of the Foundation and Model Schools taking part in the program.

The drills and songs of the children

were greatly enjoyed by a throng that practically filled the huge building, the music, the march and the waving of the flags in the hands of the little folks stirring the hearts and quickening the memories of the old soldiers and every spectator, in fact.

An important feature of the day was the lunch on the campus prepared by the ladies of the Woman's Relief Corps, of which all the comrades and their families, as well as the band and some invited guests partook. Other parties from Berea and vicinity added to this festive feature of the day by bringing lunches and enjoying a picnic on the campus.

At the ringing of the bell at 1:30, and the call by music from the band, the comrades and others assembled in the Chapel and listened to most interesting addresses by Prof. Dodge and Pres. Frost.

ADDRESS TO LITERARY SOCIETIES

Rev. Jas W. Turner, D.D., Secretary of the Presbyterian Historical Society, Speaks on Some of the Lessons from History.

An appreciative audience listened

to a concise address by this learned Philadelphian on Friday evening. His preliminary proposition was that free, unswayed manhood is at the basis of every well governed state.

"The character of the government," he declared, "depends upon the men, rather than the character of men on government." Hence, he argues, "It is folly to look to legislation to uplift men. The Millennial state comes from Millennial men, and men are not made by institutions. History enforces attention upon the principle of sacrifice. For only the men, who have made sacrifice, are honored on the pages of history." "Further," he added, "religion is a factor in any secure and enduring national life. Roman progress ceased, when Rome ceased to believe, as eloquently stated in the pages of Froude's Caesar. The United States government was built on foundations that were religious, and when religion fails the United States will fall."

Berea will be glad to hear Doctor Turner again.

One admirable thing about King Alfonso is that he is always smiling when he faces the camera.

-BEREA COLLEGE-BEREA-KENTUCKY-

PROPOSED DORMITORY BUILDING

CADY-FERGUSON ARCHITECTS 614 W. 22ND ST. NEW YORK

Subscribers to Kentucky Hall

Last summer a movement was started to raise money in Berea and the surrounding country for the erection of a new building for Berea College.

The school has been turning away young women who wished to attend, and it was decided that the new building should be for them.

Toward this enterprise Berea itself did generously, the citizens subscrib-

ing \$3,000, the students about \$3,000, and the Faculty as much more.

During the time since then the President and others who have the task of raising money have had more than they could do just to get the money for current expenses month by month, and subscriptions for Kentucky Hall have not been taken very largely in the territory outside Berea. And

come of the subscriptions which were to be paid month by month have fallen a little behind.

It will be proposed at the coming Trustee meeting that the building be begun and carried as far as the money already paid in will allow. To help this all who are behind in these payments are kindly asked to pay in as soon as possible.

Madison County's Trip To

Mammoth Cave

June 9th

Personally Conducted By Home People

The hotel and cave have been reserved for this Excursion, and by special arrangement no other party will be booked for this date. All boys and girls under 16 years of age in care of parents or chaperones will be

Passed Through the Cave Free

Three Big Days Sight Seeing From Start to Finish

The party will leave June 9, going on the regular morning train from all stations. Write or Phone L. & N. Agent for particulars.

Round Trip R. R. Fare		Board at Cave Hotel	
From All Stations		Meals or Lodging	
Adults	\$5.65	Adults	50c
Children	\$2.85	Children	25c

Limit on Tickets 10 days

One Route in the Cave \$2.00 or Two Routes for \$3.00

Boys and girls under 16 years passed free

This trip has the approval of all the County Officials, as well as the Superintendents of County and City Schools, which makes it an opportune time to see the Cave now.

SIX DOORS FOR ASPIRING YOUNG PEOPLE

1st Door—Berea's Vocational Schools

Training that adds to your money-earning power, combined with general education.

FOR YOUNG MEN—Agriculture, Carpentry, Printing, Commercial. FOR YOUNG LADIES—Home Science, Dressmaking, Cooking, Nursing, Stenography and Typewriting.

2nd Door—Berea's Foundation School

General Education for those not far advanced, combined with some vocational training. No matter what your present advancement, we can put you with others like yourself and give chance for most rapid progress.

3rd Door—Berea's General Academy Course

For those who are not expecting to teach and who are not going through College, but desire more general education. This is just the thing for those preparing for medical studies or other professions without a college course. It also gives the best general education for those who wish a good start in study and expect to carry it on by themselves.

4th Door—Berea's Normal School

This gives the very best training for those who expect to teach. Courses are so arranged that young people can teach through the summer and fall and attend school through the winter and spring, thus earning money to keep right on in their course of study. Read Dinmore's great book, "How to Teach a District School."

5th Door—Berea's Preparatory Academy Course

This is the straight road to College—best training in Mathematics, Sciences, Languages, History and all preparatory subjects. The Academy is now Berea's largest department.

6th Door—Berea College

This is the crown of the whole Institution, and provides standard courses in all advanced subjects.

Questions Answered

BEREA, FRIEND OF WORKING STUDENTS. Berea College with its affiliated schools, is not a money-making institution. It requires certain fees, but it expends many thousands of dollars each year for the benefit of its students, giving highest advantages at lowest cost, and arranging as far as possible for students to earn and save in every way.

OUR SCHOOL IS LIKE A FAMILY, with careful regulations to protect the character and reputation of the young people. Our students come from the best families and are earnest to do well and improve. For any who may be sick the College provides doctor and nurse without extra charge.

All except those with parents in Berea live in College buildings, and many assist in work of boarding hall, farm and shops, receiving valuable training, and getting pay according to the value of their labor. Except in winter it is expected that all will have a chance to earn a part of their expenses. Write to the Secretary before coming to secure employment.

PERSONAL EXPENSES for clothing, laundry, postage, books, etc., vary with different people. Berea favors plain clothing. Our climate is the best, but as students must attend classes regardless of the weather, warm wraps and underclothing, umbrellas and overcoats are necessary. THE CO-OPERATIVE STORE furnishes books, toilet articles, work uniforms, umbrellas and other necessary articles at cost.

LIVING EXPENSES are really below cost. The College asks no rent for the fine buildings in which students live, charging only enough room rent to pay for cleaning, repairs, fuel, lights, and washing of bedding and towels. For table board, without coffee or extras, \$1.35 a week, in the fall, and \$1.50 in winter. For furnished room, with fuel, lights, washing of bedding, 40 to 60 cents for each person.

SCHOOL FEES are two. First a "DOLLAR DEPOSIT," as guarantee for return of room key, library books, etc. This is paid but once, and is returned when the student departs.

Second an "INCIDENTAL FEE" to help on expenses for care of school buildings, hospital, library, etc. (Students pay nothing for tuition or services of teachers—all our instruction is a free gift). The Incidental Fee for most students is \$5.00 a term; in Academy and Normal \$6.00 and \$7.00 in Collegiate courses.

PAYMENT MUST BE IN ADVANCE, incidental fee and room rent by the term, board by the half term. Installments are as follows:

	VOCATIONAL AND FOUNDATION SCHOOLS	ACADEMY AND NORMAL	COLLEGE
Incidental Fee	\$ 5.00	\$ 6.00	\$ 7.00
Room	5.00	7.00	7.00
Board 7 weeks	9.45	9.45	9.45
Amount due Sept. 10, 1913	\$20.05	\$22.45	\$23.45
Board 7 weeks, due Oct. 29, 1913	9.45	9.45	9.45
Total for term	\$29.50	\$31.90	\$32.90
If paid in advance	\$29.00	\$31.40	\$32.40

	WINTER TERM		
Incidental Fee	\$ 5.00	\$ 6.00	\$ 7.00
Room	6.00	7.20	7.20
Board 6 weeks	9.00	9.00	9.00
Amount due Dec. 31, 1913	20.00	22.20	23.20
Board 6 weeks due Feb. 11 '14	9.00	9.00	9.00
Total for term	\$29.00	\$31.20	\$32.20
If paid in advance	\$28.50	\$30.70	\$31.70

*This does not include the dollar deposit nor money for books or laundry.

Special Expenses—Business.			
	Fall	Winter	Spring
Stenography and Typewriting	\$14.00	\$12.00	\$10.00
Bookkeeping (regular course)	14.00	12.00	10.00
Bookkeeping (brief course)	7.00	6.00	5.00
Business course studies for students in other departments:			
Stenography	10.50	9.00	7.50
Typewriting, with one hour's use of instrument	7.00	6.00	5.00
Com. Law, Com. Geog., Com. Arith., or Penmanship, each	2.10	1.80	1.50
In no case will special Business Fees exceed \$15.00 per term.			

Any able-bodied young man or young woman can get an education at Berea if there is the will to do so.

It is a great advantage to continue during winter and spring and have a full year of continuous study. Many young people waste time in the public schools going over and over the same things, when they might be improving much faster by coming to Berea and starting in on new studies with some of the best young men and women from other counties and states.

Applicants must bring or send a testimonial showing that they are above 15 years old, in good health, and of good character. This may be signed by some former Berea student or some reliable teacher or neighbor. The use of tobacco is strictly forbidden.

Fall Term opens, Wednesday, Sept. 10th. For information or friendly advice write to the Secretary.

D. WALTER MORTON, Berea, Ky.

Fall Term Begins, Wednesday, September 10
